Investigate the following:

"Gentlemen: Prior to Feb., 1908, I was located in Rochester, N. Y., suffering with La sioning retired policemen and firemen Grippe, which developed into Tuberculosis. My and taking care of their dependent familphysician gave me one month to live. I was having terrible night sweats and midday chills and losing flesh rapidly, having gone from 155 to 135 lbs. I coughed and raised continually the entire expense, aside from the amount and became so weak that walking a few feet secured by assessment, the pension sysexhausted me. On my return home my regular tem would be more carefully adminisphysician gave me little encouragement. My father, who is a clergyman, heard of Eckman's federal government should pay half the Alterative and induced me to take it. The night cost of police and firemen's pensions sweats and chills disappeared, my cough became easier and gradually diminished and in a few for consideration, that the Police Court days I developed an appetite, the first in months. 1 am now in perfect health, back to 155 lbs. I feel certain that I owe my life to Eckman's Alterative."

E. H. COWLES. (Signed) "Gentlemen: I cannot find words to express my appreciation of what your remedy has done for my son. It changed despair into hope within two weeks after he began taking it, and without any doubt in my mind, it saved his life. "I wish to add my indorsement to every word

of his testimonial." REV. J. J. COWLES. (Signed) Pastor Presbyterian Church. Eckman's Alterative is effective in Bronchitis, Asthma, Hay Fever; Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. For sale

Members of Congress Determined on New Arrangement.

SCHOOLS MADE AN ISSUE

Proposed to Maintain Them Out of District Revenues.

'REFORM" PARTY IN HOUSE

ganic Act and Contest Is Likely to Be Prolonged.

of Columbia appropriation bill, of the to local taxpayers, are in prospect. The District committee which handles purely legislative matters affecting the Nationa Capital, numbers among its membership men who are dissatisfied, either wholly and the District of Columbia, who insis that the government is shouldering more than its fair share of the partnership burden and who would vote for almos

One of the propositions referred to has items in the budget and the payment of the entire cost of its maintenance-apof the revenues of the District. This, it It is pointed out, in this connection, that

the entire expense of operating the edu-cational system of the District could be on the District without any the term. All that would be necessary to accomplish this end would be the into be prepared at the coming session of Congress of a paragraph, clearly within "limitation on an appropriation," speci-fying that "hereafter this amount (for schools) shall be paid wholly from the revenues of the District of Columbia." Those members of the House of Representatives who are dissatisfied in a general way with the existing partnership between the federal government and the District seem to be particularly favorable to the proposition to segregate the school expenses. They contend, in support of their position, that elsewhere throughout the country there is a sharp line of cleavage between the educational system and the other functions of gov-

## Organic Act Silent.

Indeed, some of them insist that the school system is really not one of the functions of government at all. They endeavor to find additional support for their position in the fact that the organic act of 1878 does not specifically mention the educational system as coming under the partnership arrangement and that, indeed, the only mention of educational institutions is in a paragraph providing for the remission of taxes upon such institutions, privately owned It has been suggested that while the
